

Stakeholder Oversight Team Meeting #2

November 15, 2016 – 2PM to 4PM

The Clayton Center, Rotary Room

111 East Second Street

Clayton, NC 27520

Agenda

- ◆ Review of Project Purpose and Timeline
 - ◆ Foundation of the Southeast Area Study
 - ◆ Review the combination of previous plans, data collection, market research, and public outreach that have culminated in the preliminary recommendations of the Southeast Area Study.
 - ◆ Scenario Planning Process
 - ◆ Describe the generation of current plans, compact, and dispersed scenarios for the study area, starting with Imagine 2040 and updating based on current plans.
 - ◆ Explain the outreach process for the preferred growth strategy that has involved land use stakeholders and representatives from jurisdictions.
 - ◆ Review the performance of each scenario using the indicator report card.
 - ◆ Transportation Recommendations
 - ◆ Describe the use of the preferred growth strategy and the Triangle Regional Model for the identification of transportation recommendations.
 - ◆ Share results of the hot spot studies that address specific transportation issues in Archer Lodge, Garner, and Smithfield.
 - ◆ Discuss key multimodal transportation recommendations, including how they address major transportation priorities in each jurisdiction.
 - ◆ Upcoming Outreach and Events
 - ◆ Public Symposium
 - ◆ Project Website (<http://www.southeastareastudy.com>)
 - ◆ Social Media (#SEAreaStudy)
 - ◆ Core Technical Team Meetings
 - ◆ Stakeholder Oversight Team Meeting
-
